THE ANNUAL REPORT ON DENTAL AUXILIARY EDUCATION 1985-86 is a summary of the information obtained from the 1985 annual surveys of dental auxiliary education programs. Data were provided by the administrators of dental assisting, dental hygiene and dental laboratory technology programs accredited by the Commission on Dental Accreditation as of October, 1985. At that time, 290 dental assisting, 198 dental hygiene and 58 dental laboratory technology programs were accredited and in operation.

TABLE 1 indicates the first-year enrollment in the three types of programs from 1974-1985. First-year enrollment in all three auxiliary programs decreased from that in 1984. First-year enrollment decreased by 5.5% for dental assisting, 2.0% for dental hygiene, and 16.5% for dental laboratory technology programs.

TABLES 4 through *12* present the following information for each type of dental auxiliary program: a list of programs, admission policies and data, and enrollment and graduate information.

DENTAL HYGIENE EDUCATION PROGRAMS

TABLE 4 includes the names and addresses of dental hygiene education programs, the names of the program administrators, and types of institutions.

TABLE 5 presents admission policies and descriptive data on each accredited dental hygiene program. Information includes the award granted upon completion of the accredited curriculum which prepared the student for licensure, the type and number of terms of instruction, the minimum educational background needed to enter the program and the total cost of the program to the student. The number of terms and costs do not include prerequisite education.

TABLE 6 identifies the first-year enrollment capacity, enrollment in each year of the program, and the number of students who completed the accredited curriculum in 1985. The graduates are tabulated by the type of award granted upon completion of the accredited curriculum which prepared the students for licensure.

DENTAL ASSISTING EDUCATION PROGRAMS

TABLE 7 includes the names and addresses of dental assisting education programs, the names of the program administrators, and types of institutions.

TABLE 8 presents admission policies and descriptive data on each accredited dental assisting program. Information includes the award granted upon completion of the accredited curriculum which prepared the student for employment, the type and number of terms of instruction, the minimum educational background needed for admission to the program and the total cost of the program to the student. The years devoted solely to general education courses are not included as part of the dental assisting curriculum.

TABLE 9 identifies the first-year enrollment capacity, enrollment in each year of the program, and the number of students who completed the employment preparation curriculum in 1985. These graduates are tabulated by the type of award that is granted upon completion of this employment preparation program.

DENTAL LABORATORY TECHNOLOGY EDUCATION PROGRAMS

TABLE 10 includes the names and addresses of dental laboratory technology education programs, the names of the program administrators, and types of institutions.

TABLE 11 presents admission policies and descriptive data on each accredited dental laboratory technology program. Information includes the award granted upon completion of the accredited curriculum in 1985, the type and number of terms of instruction, prerequisite education for admission to the program and the total cost of the program to the student.

TABLE 12 identifies the first-year enrollment capacity, enrollment in each year of the program, and the number of students who completed the employment preparation curriculum in 1985. These graduates are tabulated by the type of award that is granted upon completion of this employment preparation curriculum.
